NEW HAVEN BUILDING Shows Substantial Indrease During Month Just Ended.

The report of Building Inspector Austin, of New Haven, for January shows a very substantial increase in the number of building permits issued, and also a large gain in the value of the work contracted during the month as compared with the same month last year.

In the past month 49 permits wer In the past month 49 permits were issued, representing contracts valued at \$174,300, which stands against \$2 permits and cost of \$134,25 in January, 1908, or a clear gain of a little more than \$40,000. This indicates the trend of building operations in New Haven and foreshadows a busy spring season in the construction business.

Of the total number of permits 23 were issued for new houses of the one, two and three family varieties. Several permits were issued for repairs and alterations to buildings and but very few large jobs were started dur-
